

Terrie & Staff -  
Thank you so much for accomidating our party on such short notice! You didn't have to help us out, and the fact that you did by going above and beyond to make sure we got everything we wanted speaks volumes about your business. The food was delicious, the wine was of course wonderful, & the staff was so kind, friendly, & helpful. I really felt you cared about our needs/wants, and I am greatly appreciative of you help! I will be giving your name to anyone looking for a place to have a party or a fun night out. Thanks again! Melissa

Thank you thank you thank you. Our shower was great and we could not have asked for a better server. Beau was great and on top of things at all times. We got several compliments on the shower, the food, and the service. It was perfect!

Thank you! Thank you! Thank you! Everything was perfect for my sister's bridal shower this past weekend. Beau did a great job as our personal server, and went above and beyond with anything we needed, including working on a special menu option for our little flower girl. We received many compliments from our guests on the venue, service and the delicious food. Couldn't have been more impressed. Thanks again.
